REFUND POLICY:

Liverpool International Academy MA may make a contractual offer to join a team to a player and the player's parent/guardian. This offer will include terms of payments for the services to be provided. The offer will be sent via email, generated from Demosphere, our secure registration management system. A player and the player's parent/guardian accept a position on a team by selecting "Accept" within the email which will direct the player/parent/guardian to the registration portal to pay the identified initial payment, administration fee and accept the further payment terms. Such actions by the player and the player's parent/guardian constitute the acceptance of the contractual offer by Liverpool International Academy MA and thereby establish a valid and enforceable contract.

Thereafter, Liverpool International Academy MA will immediately begin to offer the identified services to the player and will have relied on the promise made by the player and the player's parent/guardian. As such, there will be no refunds offered or provided to the player or the player's parent/guardian for any reason. *(However, please see below for information on an optional new Refund Insurance Policy, that is available at extra cost, and which may provide financial security to cover some unforeseen circumstances should a family wish to enroll in this third party product).* Further, Liverpool International Academy MA is relying on the player and the player's parent/guardian to pay the entire contracted price, even if said price is agreed to be paid over time and some services have yet to be provided, as Liverpool International Academy MA has, at a minimum, relied on the promise of payment and incurred the costs associated with providing said services.

REFUND INSURANCE POLICY:

For an additional 7% of the Annual Club Fee, the player and the player's parent/guardian may purchase Refund Insurance for the contract entered into with Liverpool International Academy MA. Said insurance will provide a refund for the value of services that Liverpool International Academy MA is yet to provide the player should an identified event occur. An identified event is defined as the player suffering an injury that will take longer than the remainder of the club year to allow the player to return to the field and of which a doctor has provided written confirmation, the player is relocating to an area in which Liverpool International Academy MA does not have programs to provide services to the player, or some other such similar event that will prevent the player from being physically able or geographically available to receive the remaining services provided by Liverpool International Academy MA. At no time will this insurance provide a refund for the initial down payment for services or for the value of services already provided by Liverpool International Academy MA. Please visit our website for further information and to complete the application.

PARTIAL FEE WAIVER FOR LONG TERM ILLNESS (available if family purchase Regsaver)

DELINQUENT PAYMENTS

Players that are not compliant with their payments pursuant to their contract with Liverpool International Academy MA shall not be eligible to participate in club activities, including matches, trainings, and tournaments. The pass cards for said players will be held by the club until the players are compliant with their payments.

To remain in good standing with Liverpool International Academy MA, payments must be made pursuant to their contract and must be received on or before the identified due date. A player is considered past due when any payment is not received on a due date. For accounts that are one (1) month past due there will be a \$25 late fee. For accounts that are two (2) months past due there will be a \$50 late fee and the player card will be pulled. A \$50 reinstatement fee will be charged to return the card.

Liverpool International Academy MA reserves the right to suspend the player card of any player whose team or club account is past due.

Players with outstanding balances from the prior season will NOT be issued a player card for the current season until this balance has been paid in full.

Any player that requests a release to join another club during the club year will not be granted said release from Liverpool International Academy MA until all outstanding fees have been paid. These fees include, but are not limited to, team fees, uniform fees, tournament fees and program fees. Installment payments are authorized as a convenience to our players and their families. However, unpaid installment payments are outstanding fees that must be paid before a player will be granted a release.

If Liverpool International Academy MA receives a returned check for insufficient funds, a \$50 fee will be charged to the player's account.

Questions regarding the standing of any player should be directed to ops.support@lfcinternationalacademyma.com

PLAYER AND PARENT RESPONSIBILITIES

RESPONSIBILITIES OF Liverpool International Academy MA PLAYERS:

- Players are expected, at all times, to act and play “The Liverpool Way” and to conduct themselves in a manner which is in keeping with the Liverpool International Academy MA values of Ambition, Commitment, Dignity and Unity.
- Players shall not bring discredit upon the organization and shall maintain the highest standard of conduct and good sportsmanship.
- Players shall refrain from using profanity during matches and practices.
- Player will show respect toward referees, opposing teams, and fans. They will not harass, abuse, or berate a referee for any reason.
- Players shall not participate in physical violence or threats thereof during games or practices.
- Players should bring cleats, shin guards, water, and a properly inflated soccer ball to practice.
- Players are expected to show respect for all coaches and adhere to all instructions.
- Players shall be on time and prepared for all practices and matches as outlined by their coach. All team practices, meetings and activities are essential for player development; the coach or team representative must be notified in each instance in which a player is unable to attend a scheduled team activity.
- Players will play within the Spirit and Laws of the Game.
- Players are expected to wear the approved club attire during practices and matches.
 - Home Games – all Red kit
 - Away Games – all Red kit preferred but if opposing team has similar color, then full away kit
 - Practice/Training – Dark Heather Tech Tee with away shorts and socks (black)
- Playing time is not automatic; it is earned. Players normally will receive enough playing time for their continued development. However, the coach will determine an individual player’s actual playing time. Playing time may not be equal in a game or a weekend. Playing time should be measured over the course of the season.

PARENTAL INTERACTION AND BEHAVIOR

- Avoid 'coaching' from the sideline while watching your child's game. A common problem in youth soccer is the impulse parents have to shout instructions to their young players from the sideline. It is especially difficult for a child because he or she has a tendency to refer to what a parent says, which often conflicts with the instruction from the coach.
- Do not criticize the referee. Spectators should realize that referees sometimes make mistakes – even those officiating at the highest levels of play. Officials, coaches and players will be treated with respect during all Liverpool International Academy MA events. Parents and spectators are not permitted to disparage, ridicule, or otherwise engage in threatening or harassing conduct toward an official, coach, or player at any time.
- Focus on the benefits of the game rather than the score. Far too often parents focus on the score in a game rather than the experience their child has while playing youth sports. While it is natural to want to win, parents need to keep focus on the larger picture.
- Think when interacting with opposing fans. Avoid confrontation with opposing team parents, spectators, coaches and players. Represent Liverpool International Academy MA as a club, and your child in a respectful manner.
- Alcohol, drugs, smoking. The use or possession of these substances, or being under the influence of alcohol or illegal drugs immediately before and during Liverpool International Academy MA events, is strictly prohibited.
- Parents/guardians and other spectators that are not able to conform to the above expectations, will be asked to leave the activity and action may result in the suspension of their child from club activities and/or termination from the club.

PROCEDURES FOR ISSUES REGARDING COACH ACTIONS OR DECISIONS

- If a Liverpool International Academy MA player or parent has an issue with their coach regarding a coaching action or decision, the following steps shall be followed:
- Any player or parent that has an issue with a coaching action or decision should first wait at least 24 hours following the event to address the issue. This provides all parties time to process the circumstances at issue.
- Following the 24 hour waiting period, the player and/or parent/guardian should contact their head coach to discuss the issue. In the Academy age groups, the player/parent should speak with the lead coach in their age group.
- If the issue is not resolved after speaking with the head or lead coach, the parent/player should contact the Regional Director. Parent/player should email the Regional Director with the following information: name of the person making the complaint, player's name, coach's name, team name, and a detailed description of the issue at hand, steps taken to resolve the issue, along with a recommended solution. All decisions by the Regional Director regarding soccer coaching issues are final.
